PRESENCE OF MACMANUS COLT LEADS TO DECLARING OFF OF LATONIA RACE.

Track Conditions Improve and Big Crowd Turns Out to See Sport-Keen Interest in Worth-Sprite Match Scheduled for Next Week.

Cincinnati, O., October 19.—Improving conditions continue at Latonia and another large attendance was on hand this afternoon to witness the sport. The track had dried out considerably, but it was still a trifle slow, though improving rapidly during the afternoon. The presence of Presumption in the original fourth race caused some of the others to decline the issue and as only five starters were sent out in the overnight entries, the managment deemed it best to declare the race off and substitute another. The new race was at three-quarters and engaged a fairly useful band of sprinters, including Prince Gal. He proved the worst disappointment of the afternoon. Backed to the exclusion of nearly all the others, he wound up in fourth place, Ethelda, Compton and Donau leading him in the order named. Prince Gal was much the best, but suffered repeated interference in the first half mile and was held in a pocket during the stretch drive. Favorites and second choices accounted for all the other purses and those with a penchant for short-priced contenders fared excellently. Most of the finishes were again close and exciting.

The match between Worth, and Sprite continues to be an absorbing topic among horsemen. Doubt as to its materialization was dispelled this morning on receipt of a telegram by General Manager John Hachmeister from H. K. Knapp announcing that he had mailed last night a certified check for the full amount of the stakes. The consensus of opinion is that the match will be a rattling good contest, with jockeyship an important factor. There was a rumor that trainer Taylor would try to obtain the services of C. H. Shilling to pilot Worth, but this seems to be unfounded, from the fact that jockey Kennedy today signed a contract with the Hallenbeck stable for the remainder of the Latonia meeting. His retainer is \$500. Trainer-Karrick is condent that his filly will take Worth's measure and has engaged jockey Ganz to pilot her in the match. Mr. Hallenbeck kintends to ship Worth store creak juvelness in a stake t

some crack juveniles in a stake to be run next Saturday.

J. W. May's seven racers, including Countless, airlived today from Pimlico. Amos Turney's six racers came with the same consignment. Mr. May reports that both the Maryland courses are attracting big crowds and are dividing the patronage. He expects Laurel to have a remarkable session after the closs at Pimlico. Jockey McTaggart, who arrived today from Baltimore, will do most of the riding for Mr. May.

Laurel to have a remarkable session after the closs at Pimlico. Jockey McTaggart, who arrived today from Baltimore, will do most of the riding for Mr. May.

Jockey Taplin's engagements here will be made by W. M. Wallace.

Trainer Adkins is at present superintending the placing of the Mackenzie racers in winter quarters at Lexington. He disposed of Fort Johnson yesterday at Louisville.

Jockey E. Denny was suspended by the starter for five days for disobedienge at the post.

Good prices were realized in the mutuel combinations today. The successful two-horse combinations and the three-horse, Queen Marguerite, Ethelda and Amoret, paid \$216.60.

The Blauchi stable scored a double with Turret and Silver Knight. Both were ridden by Loftus, Jockey C. Turner also piloted two of, the afternoon's winners.

Improved track conditions enabled trainers to give their horses some much needed work this morning. The following were the best trials:

ENFIELD VICTOR AT COEUR D'ALENE.

Spokane, Wash., October 19.—Enfield, carrying top veight, were the five and a half furlongs sprint at Cour d'Alene today by a head from Napa Nick and Arasee. Trailing as usual in the early running, he closed with the burst of speed for which he is famous and snatched the victory in the last stride. Arasee broke poorly and had to be whipped away from the burrier. Off better, it would have been a close thing between the three horses.

The directors of the racing association at Vancouver and Victoria will reach here tomorrow to confer with the directors of the Cocur d'Alene Fair and Racing Association regarding an amicable settlement as to dates for next season.

Jockey Brady was instructed to accept no more mounts during the meeting on account of incompetency.

PLANS FOR CUBAN RACING CHANGED.

Havana Winter Meeting Will Open at Remodelled Almendares Track December 15.

Laurel, Md., October 19.—The largest crowd of the meeting saw the running of the six thoroughbred races and three for the trotters at Laurel this afternoon. There must have been close to 10,000 persons present. Governor Crothers was expected at the track today, but although a telegram was received at noon that he would surely be on hand, he falled to put in an appearance. The grand stand had been decorated in his honor, while the box opposite the judges' stand had been reserved for his party. After deferring the parade until after the second race, Manager Brown decided that they could not wait longer and the parade was given. It was truly a magnificent spectacle. The track had dried out and spirited racing resulted.

The selling handicap at one mile stood out as the day's feature, and it was won by Sticker. She was fortunate enough to be away well in her stride in a straggling start and at no time during the journey was the result ever in doubt.

J. L. Holland's colors were victorious in the first two races. Excalibur and Efficiency winning for him. All doubt as to whether or not there would be any racing in Cuba the coming winter was set aside to-day by Manager Brown, who stated that the meeting at Havana would positively open on December 15. It will be held at the old Almendares track, which will be remodelled for the coming meeting, as Mr. Brown has decided that he has not the necessary time to complete the new track. No purse of less than \$500 will be given, while there will be many valuable stakes. Mr. Brown also cheered the horsemen by announcing that for the rest of the Laurel meeting \$500 will be the minimum purse.

Jockeys C. Grand, C. Peak and Whatley were each suspended for one day by starter Murray.

PLATERS GIVEN A CHANCE AT PIMLICO.

Poorer Class of Horses Provide Spirited Racing at

Baltimore Course.

Baltimore Md., October 19.—A program for the poorer class of horses was arranged by the Maryland Jockey Club at Pimlico this afternoon, but the racing was spirited and the big crowd present had plenty of excitement. One of the closest finishes of the meeting came with the running of the fourth race, at one mile and forty yards. J. E. Widener sent the favorite to the post in Chas. F. Grainger, but even with jockey Shilling in the saddle, he was not good enough to stall off the closing rush of Annie Sellers, which, well ridden by Guy Burns, came from last place to win by a nose.

A good thing was put over in the opening race. Black Chief, which has been entered several times and withdrawn, found the right spot today, and began the day's surprises. R. T. Wilson's Mexoana, which ran the fastest three-quarters of the meeting last time out, was a great favorite with the public. but Black Chief went right with her in the first furlong and Mexoana would not extend herself, being beaten both by Black Chief and Sal Volatile. Then followed the defeat of another strong ckoice in the second, when Herbert Turner, thought to be a sure winner, retired early and pulled up in last position. There was an excuse for Herbert Turner, as well on the second, when Herbert Turner, thought to be a sure winner, retired early and pulled up in last position. There was an excuse for Herbert Turner, sower, as the horse bled. The winner was Chilton Squaw, purchased by John Farrell, Jr., from Mrs. Robert W. Walden a day or two ago. Al Weston's Garry took the third purse easily.

The Hunters' Steeplechase Handicap resulted in victory for the second choice, Kennewick, which simply ran away from Adventurer, the first choice. Old Firestone, which recently has been raced as a jumper, started in the two-mile flat race for steeplechasers, and made a show of his company. Dr. J. S. Tyree, of Washington, should have won the last race with his mare Cheek, but Schuttinger gave the mare a stupid ride and Cheek was second to the old geldin

he fastest yearlings he ever broke,

Norfolk, Va., October 19.—The stakes for the fall meeting of the Jamsetown Jockey Club have closed and the entries made for them will compare favorably in quality with those for other important meetings of 1911. Five stakes are to be decided, ranging value from \$\$90 to \$\$2,000\$, that have attracted the best of the horses in training. Besides there will be mumerous overnight handicaps that will provide good contests. The overnight purses have been increased in value as compared with past meetings.

Freq W. Gerhardy, clerk of the course and racing secretary, has been asked to provide stabling for the majority of the stables racing at Pimlico and Laurel, so the accommodation at Norfolk will be
